Mirza Ahmadi

 Toronto, ON   (647)-390-8697   ✉ mamahmadi727@gmail.com   in [LinkedIn](#)   ○ [GitHub](#)   ⊕ [Website](#)

EDUCATION

University of Guelph   Jan 2024 - Present
Master of Science – Bioinformatics and Artificial Intelligence   *Guelph, ON*

- My research involves developing a machine learning pipeline to extract and present genomic sequence data

Honours Bachelor of Science – Major in Zoology, Minor in French Studies   Sep 2019 – Oct 2023

- GPA: 3.7
- Completed a one-semester exchange program at Aberystwyth University, Wales

EXPERIENCE

Researcher   May 2022 - Present
University of Guelph   *Guelph, ON*

- Designed and executed an independent research report on snake venom evolution, producing a 30+ page report
- Conducted literature review & analyzed data from multiple phylogenies to investigate venom evolution mechanisms
- Collaborated with experts in bioinformatics, biochemistry, and genomic biology, enhancing scope of research
- Acquired skills in R, MS Excel, and Mesquite to create correlational and graphical analyses, and phylogenies
- Currently working towards publication in a peer-reviewed scientific journal

Globalink Mentor   April 2022 – Nov 2022
University of Guelph   *Guelph, ON*

- Developed info packages on government regulations and Canadian banking for seven international research interns
- Led coordination of social events to foster intern networking and community-building
- Provided ongoing logistical support, addressing individual needs, and resolving issues promptly

Data Entry Clerk   May 2021 – Jan 2022
MSH International   *Toronto, ON*

- Conducted data analysis and uploaded information from scanned records into the company's database
- Generated and Organized reports using MS Excel
- Managed administrative duties including communicating with clients and providers via email

PROGRAMMING PROJECTS

[SciRef](#) | *Tailwind CSS, React, Flask*   August 2023

- Created a website which generates customized scientific references for PubMed journal articles
- Enables users to input URLs and order reference components to obtain accurately formatted references

[Colour Chaos!](#) | *Python*   July 2023

- Developed GUI-based interactive game, challenging player typing speed and selective attention
- Enhanced user engagement by creating features like high score tracking, game restart, and real-time timekeeping

[Personal Website](#) | *HTML, CSS*   June 2023

- Designed and developed a personal website to showcase skillset, experience, and programming projects

CERTIFICATIONS   TECHNICAL SKILLS

[E-learning Course: Data Structures](#)	Oct 2023	**Python** (Advanced)
		R (Advanced)
LinkedIn Learning certificate: Python Essential Training	June 2023	**HTML** (Intermediate)
		CSS (Intermediate)
[Harvard CS50 Introduction to Programming with Python](#)	Jan 2023	**Flask** (Intermediate)
		React (Intermediate)
DELF (Diploma in French Language Studies) B2	Feb 2019
